FOR IMMEDIATE RELEASE

UPDATE: N/B I880 ONRAMP CLOSURE AND RETAINING WALL DEMOLITION CONTINUES NEXT MONDAY

ALAMEDA COUNTY – The High Street/42nd Avenue northbound (n/b) onramp to Interstate 880 will be closed to allow crews to safely conduct nighttime demolition of the 42nd Avenue retaining wall along the High Street and 42nd Avenue onramp, Monday, August 6, from 11 p.m. to 5 a.m.

The work is part of the ongoing I-880 High Street Seismic Retrofit Project, in the City of Oakland.

DETOUR ROUTE: As an alternative route motorists traveling northbound along I-880 should take High Street/Oakport Street onramp to southbound I880, exit at 66th Avenue, make left to reach northbound onramp and re-enter northbound I-880. All other I-880 traffic proceeding northbound or southbound will not be affected.

It is the Department's desire and commitment to minimize potential disruptions and inconveniences during this time, while making safety our top priority. Caltrans will continue to inform the public of all scheduled and unscheduled construction events and closures.

A website is available to provide the public with the most current updates on this project. Updates on this and other Caltrans' Alameda County projects will also be posted on Twitter at www.twitter.com/I880Corridor and at http://www.dot.ca.gov/dist4/projects_list.htm#alameda.

Motorists should be reminded to be alert for workers and "Slow for the Cone Zone". Caltrans appreciates your patience as we work to improve the highways.
